

Dear Charlotte Senior Center Community,

We have some exciting news to share!

Next year marks a significant milestone as we celebrate the **25th anniversary** of the Charlotte Senior Center. As we prepare for this special celebration, we have also been reflecting on our history, our growth, and the future of our organization.

Over the past 25 years, our community has evolved, and so have the adults we serve. Every day, we are inspired by people who are active, engaged, curious, and eager to learn, volunteer, build friendships, and embrace new experiences. You are redefining what it means to grow older.

As part of our vision for the next quarter century, we want our name to better reflect the vibrant community that walks through our doors. We also want the name to reflect the diversity of the many volunteers, participants, and supporters who make this such a special place.

For that reason, we are pleased to announce that the **Charlotte Senior Center** will become the **Charlotte Adult Community Center**.

While our name is changing, our mission is not. We remain committed to enriching the lives of adults age 50 and older by providing opportunities for lifelong learning, wellness, recreation, volunteerism, and meaningful social connection.

This new name reflects who we are today and the welcoming, inclusive community we will continue to be for years to come.

Thank you for being part of our journey over the past 25 years. We look forward to celebrating this milestone with you and to beginning an exciting new chapter together.

With gratitude,

Lori York, Director
